

CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 528

Citations Affected: IC 12-15-11.5.

Synopsis: Hospitals. Conference committee report for ESB 528. Extends to December 31, 2004, the expiration date of provisions: (1) prohibiting the office of Medicaid policy and planning (OMPP) from providing incentives to primary care medical providers for directing individuals to contracted hospitals other than a hospital in a city where the patient resides; and (2) concerning reimbursement rates for hospitals that previously contracted with OMPP's managed care contractor for the provision of services under OMPP's managed care program. (This conference committee report deletes provisions that would have: (1) required a hospital's claim submission procedures to follow a managed care organization's provider manual; and (2) required certain hospitals that do not have a contract with OMPP's managed care contractor to be reimbursed at the rate paid Medicaid providers who are not contracted providers in OMPP's managed care services program.)

Effective: July 1, 2002.
